*"It was great to have met you and your team that organized an excellent fair with most promising contacts"*

Mr. Stefan Coopmans, Export & Purchase Director,  
Loëen Laboratories Europe, Belgium.

*"We are among the largest essential oils producers in Europe. We supply the raw material ourselves, but for smaller quantities we need to purchase. That's why I come to MAP EXPO"*

Mr. Lajos Engart, Purchaseing Manager, Silvestris, Hungary.

# EXPO themes

## Plant-based therapy for human health

Seminar about alternative approaches on releasing the pain, treat the sickness. The transitions of traditional therapies in near

future, in alignment with scientific proves and trends of green economy - sustainable wellness.

## Halal cosmetics and medicines

Plant-based drugs and cosmetics satisfy the rapidly growing Halal pharma-cosmetic industries. The buyer invitation plan of MAP EXPO

2018 will include the Halal-specific pharma-cosmetic distributors worldwide.

## Investments in MAP sector

In alignment with green economy - sustainable wellness, MAP EXPO team presents investment plan, programs, and achievements in optimizing MAP sector.

## Cannabidiol

At MAP EXPO 2017 Cannabidiol was a hit via successful presentation from its producers. In 2018 MAP EXPO digs deeper into the potential markets of this product.

# MAP EXPO 2018

## Global MAP Market

Worldwide, the lifestyles of some 6.3 billion people rely on the cultivation of plants. Demand for herbal drugs, cosmetics, foodstuffs and other products in this already-vast market continues to grow.

Aware of the industry's immense potential and the need to gather, MAP EXPO has been established as the go-to global marketplace for the key players in MAP-related sectors, including organic MAP players. This unique b2b event is to enhance and integrate links in the supply chain, matching suppliers with buyers and developing new markets in the process.

## MAP EXPO 2017

In 2017 MAP EXPO welcomed exhibitors from 16 countries and visitors from 32 countries, enabling the event to be a proven international platform. Match-making program generated 130 meetings, equal to 2600 minutes of meeting time. Seminar "CANNABIDIOL – FROM FARM TO END PRODUCT" and "Nederlandse Vereniging Voor Fytotherapie" (Dutch Association for Phyto-therapy) seminar were fully attended.

- 75% of the surveyed visitors came to look for suppliers and/or business partners.
- "Thank you" was the good-bye sentence from most of the exhibitors when they gave hand shake with MAP EXPO team and many of them gave us 10/10 for our service.

## Benefits for the exhibitors

MAP EXPO team considers the exhibitors as their heart and providing benefits to them is our values. The benefits of the MAP EXPO 2018 for the exhibitors are:

- Tailor-made groups of visitors with special interests in exhibitors' supplies.
- Marketing and generating leads by meetings with potential customers.
- Meetings with current customers to strengthen customer relationships.
- Opportunities to be updated with global demand and trends MAPs, the cost-effective techniques, technology, new findings how to grow and to use MAPs.
- The expo hall is in the Netherlands which is a highly convenient, attractive destination to welcome more visitors. Among top 3 EU's MAP trading countries, the Netherlands is also the gate to the markets of EU and the UK, the arrival place for business people worldwide.
- Enjoying promotions from MAP EXPO in later years.

***"It is the right exhibition for this industry. You will grow."***

*Mr. Adolfo Aliaga, purchasing manager, Nutrafur SA, Spain  
and Ms. Ditka Bohak, purchasing manageress, Vitiva D.D., Slovenia.*
